To Whom It May Concern,

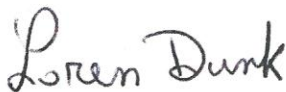

I am writing this letter of recommendation for B & B Builders/ Roger Byer of Sidney, Montana and will say without any reservations that Roger Byer is an excellent choice as a contractor for any project that you may be considering.

For the past three years, while I was superintendent of the Savage School district, I have consulted with Roger on our district's needs for construction. B & B Builders were the contractors for our school music room remodel. They also built an addition, remodeled the basement and built an attached garage to the district owned house in Savage. They completely remodeled the girl's bathroom and were the contractor for the new floor tile project that has taken place throughout the school along with numerous other projects to lengthy to list. Most recently B & B Builders has been hired as the contractor for a project which will include new windows, new flooring, maintenance on our heating system, and potential building of more district housing.

Many things impress me about Roger including the high quality of workmanship, the timely manner in which projects are completed, and the comfort that comes with knowing that Roger is always looking out for the district's best interest with regard to saving money.

As a school superintendent, who has many decisions to make and projects to oversee, it has always put me at ease knowing that I can depend on Roger to lead our district in the right direction on building projects. Again, please accept this letter and my highest endorsement for Roger and B & B Builders as a top notch contractor. I am leaving the Savage School to take the same position in another school, and I can only hope to find another contractor as great as Roger in my new location.

Sincerely

Mr. Loren Dunk, Superintendent
Savage School

LOREN DUNK—Superintendent
DIANA MILLER—Clerk

BOARD OF EDUCATION
MARK TOMBRE, Chairman—KIMBERLY NOLLMEYER, Vice-Chairman
